Volume 39 Issue 1 The Villas de Golf Monthly Newsletter November 2013

## Women's Association

### *Notes from Reenie*

The Wisconsin leaves have fallen after a hard frost. Snowflakes swirled in the air as I raked the yard. I am freezing. Time to think about warmer places. And that would be Villas de Golf, where one can relax and enjoy the view of our beautifully landscaped grounds while sitting poolside with a tall umbrella drink.

I am anxious to return and begin an active season with a little help from my friends.

This summer I jotted down a myriad of activities that may be of interest to people. Some require renting a bus, some are at the Villas and others would need designated drivers. Hopefully they are diverse enough to spark everyone's interest in something.

The first thing I would like to do is have a Women's Association luncheon to get ourselves organized for the year. We still need board members and several building reps. Good planning requires your involvement. Please think about what you can offer. Your time and creative ideas have resulted in successful activities that many have enjoyed.

Jim and I will arrive on November 17 this year. Can't wait to be reunited with everyone. Drive safely, my friends.

## Association Board Message

Welcome back Snowbirds,

It has been a hot summer with enough rain to keep the lawn looking good.

With the work of Ken & Randy we were able to get the sidewalks cleaned and painted, cleaned some of the carport tops that were looking pretty bad, stayed on top of maintenance problems that arose and did condo checks to make sure your unit was in good shape. The Board thanks them for their time and hard work.

We finally managed to get the Pool reopened after two months of downtime due to the resurfacing and tile work that needed to be done. The Pool Works Company did a great job and the finished product is beautiful.

We had a few leaks this year, both roof and air conditioner leaks. We are looking to do some major clean-outs of the air conditioner lines before next summer and the roof maintenance will be done soon (bidding taking place now).

Leslie has been doing great handling the problems this summer and we are so glad that she is our manager. Her hours this winter will change to Mondays from 1 to 4 pm in the office. The Association Board meetings will also change to Mondays at 3:00 PM.

There will be two Budget Workshops for the 2014 budget. The first will be offsite at Resource Property Mgmt offices on November 8. The second will be at the Villas Clubhouse on Monday November 11 at 3:00 PM.

I kept busy this summer doing some screening work (laundry rooms & individual units) and we put together some Social hours monthly for us summer folks. We had a great time socializing and playing Cornhole with the game boards that were donated by Ed & Kay Gundle's son.

All in all it was a good summer but we are looking forward to having you snowbirds back and getting into the winter routine.
