Starting January 1, 2009, Resource Property Management is pleased to announce its transition to *HomeWiseDocs.com*, the next generation in online document and data delivery for community associations. *HomeWiseDocs.com* provides reliable, around-the-clock online access to all governing documents and critical project data for lenders, escrow and title companies, real estate agents and homeowners from Resource Property Management's managed communities.

Log on to www.homewisedocs.com and select the link to register. The many system enhancements are geared toward an improved user experience including:

- Order estoppels by address or association name searches
- Share your order with up to four email addresses
- Multiple payment methods offered
- Hard copy delivery options available
- Email and SMS text completion notices for users
- Rush order requests
- Track your orders online with order confirmation number

Resource Property Management will continue to bring the latest tools and practices to the community association industry and affiliated professionals. *HomeWiseDocs.com* will simplify the process of obtaining association information that you require. Please share this important notice with those parties that regularly request estoppels and condominium questionnaires from our company.
